

HAZARDOUS WASTE CASE STUDY:

DO NOT WRITE ON THIS, WRITE ALL ANSWERS ON YOUR OWN PAPER.

1. What case study did you read?
2. Discuss the problem. (at least 3 sentences)
3. Summarize the background information. (at least 4 sentences)
4. What strategies were discussed? (at least 2 sentences)
5. What recommendations were made? (at least 2 sentences)
6. Find someone else with a different case study. Have them tell you a brief synopsis of the case study and summarize what they tell you in at least 4 sentences.
